### **Thornton Landscape opens doors for special tree sale event**

*Maineville, Ohio* – Thornton Landscape will open its doors for a special three-day tree sale event. With more than 500 trees available, the Maineville landscape company will be offering shade, flowering and ornamental trees at wholesale prices on Sept. 10, 11 and 12. The custom landscaper does not have a garden store and typically doesn't sell trees directly from its inventory.

"We're offering this special opportunity to the community to walk through our tree inventory and select from our large street trees. Many of these trees were originally intended to line boulevards and neighborhood streets. These taller, more mature trees are available to residential customers at prices that are up to 50% off of our regular planted prices," said Rick Doesburg, president of Thornton Landscape.

Customers are welcome to shop on the grounds of Thornton Landscape, 424 E. Highway 22 and 3 (Montgomery Road), in Maineville, between 10 a.m. and 6 p.m. on Thursday, Sept. 10 and Friday, Sept. 11. The grounds will also be open on Saturday, Sept. 12 from 9 a.m. to 5 p.m.

"Fall is a great time to plant trees," says Doesburg, noting that the cooler weather will allow the trees to get established before winter. "There is no simpler way to increase the value of your home than by planting larger, more mature trees," he says.

Those who purchase trees are welcome to take them home that day, or delivery is available. Thornton Landscape also offers planting services, and all trees planted by the company's certified professionals carry a one-year warranty.

More than 500 trees are available, including shade, flowering and ornamental trees. Varieties of:

- ∞ Maples, including Japanese maple
- ∞ Elms
- ∞ Oaks
- ∞ Sweetgums
- ∞ Dogwoods
- ∞ Crabapples
- ∞ River birch
- ∞ Magnolias
- ∞ Evergreens, 6 to 10 feet, including pines and spruce
